MOST EVERYTHING IS IN PDF OR HTML. To open PDF you need an Acrobat Reader, which you can freely download on the internet, or the versions (exe.) on DVD 13. To Open the HTML files, look for the "start" / "index" . "home page" within each folder, (which you can then drag/ cut-paste to your desktop). I suggest copying the whole files you use most frequently to your computer, like the Latin-English Dictionary, Biblia Clerus, etc. Questions- email slaveoftheimmaculata@yahoo.com
